Cnr Rietz and Plein, Sunnyside, pretoria ,0001

PROFESSIONAL SUMMARY

Detail-oriented **Junior Full-Stack Developer** with a solid foundation in software development life cycles, recently completing a MICT SETA Learnership. Proficient in building responsive web applications using **Python (Django)**, **JavaScript**, and **Bootstrap**. I am eager to leverage my technical skills and "can-do" attitude to contribute to **a development team**. I am committed to writing clean code, troubleshooting complex issues, and growing within a professional development team.

TECHNICAL SKILLS

- **Languages:** Python, JavaScript, HTML5, CSS3.
- **Frameworks/Libraries:** Django, Bootstrap.
- **Databases:** MySQL, SQLite.
- **Tools & Version Control:** Git, GitHub, VS Code.
- **Other:** API Integration, Responsive Design, Unit Testing.

PROJECTS

DoctorMedSuites | Full-Stack Developer

- Developed a clinic management web application using **Python (Django)** and **MySQL** to digitize appointment bookings.
- Designed a responsive front-end using **Bootstrap** and **JavaScript** to ensure seamless user experience across devices.
- Implemented user role-based access control for patients and healthcare providers.

Learning Management System (LMS) | Developer

- Built a platform for educational content delivery with integrated preset email notification templates.
- Managed database relationships and model structures to track student progress and course enrollments.
- Utilized **Git** for version control, maintaining a clean codebase and branching strategy.

EDUCATION & QUALIFICATIONS

Occupational Certificate: Software Development | August 2025

ZTQ Solutions (MICT SETA Learnership)

- Currently preparing for the **External Integrated Summative Assessment (EISA)**.
- Focused on software logic, database design, and web development.

National Senior Certificate (Matric) | 2016

Hoerskool Sybrand van Niekerk, Sabie, Mpumalanga

WORK EXPERIENCE

Shop Assistant & Cashier | Clicks (i'langa Mall) | Nov 2025 – Dec 2025

- Developed strong professional etiquette, time management, and problem-solving skills in a fast-paced environment.

ESL Tutor | Preply | March 2023 – June 2024

- Facilitated language learning for international students, honing communication and patience—essential for collaborative debugging and team environments.

Disability Rights Unit Assistant | NWU | March 2022 – Nov 2023

- Assisted with examination facilitation and administrative tasks, ensuring strict adherence to protocols and data accuracy.

LANGUAGES

- **English:** Fluent
- **Xitsonga:** Native
- **Siswati:** Native
